GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING DEBTORS' SCHEDULES AND STATEMENTS

The Schedules of Assets and Liabilities and Statements of Financial Affairs (the "Schedules and Statements") filed by RCLC, Inc., Ronson Aviation, Inc. and RCPC Liquidating Corp. (collectively, the "Debtors"), debtors and debtors-in-possession, are unaudited and were prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure in conjunction with the Debtors' management. The Debtors' management has made reasonable efforts to file complete and accurate Schedules and Statements based upon information available at the time of preparation. Due to, among other things, the complexity of the Debtors' business operations, however, the Schedules and Statements remain subject to further revision and verification by the Debtors. Subsequent information may result in material changes in financial and other data contained in the Schedules and Statements. The Debtors reserve the right to amend their Schedules and Statements from time to time as may be necessary or appropriate. These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors' Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

The Schedules and Statements have been signed by Daryl K. Holcomb, Chief Financial Officer. In reviewing and signing the Schedules and Statements, Mr. Holcomb necessarily relied upon the efforts, statements and representations of the accounting and non-accounting personnel of the Debtors. Mr. Holcomb has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

- 1. <u>Description of the Case and "As Of" Information Date</u>. On August 17, 2010 (the "Filing Date"), the Debtors each filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101 *et seq*. (the "Bankruptcy Code"). The Debtors are currently operating their businesses and possessing their property as debtors-in-possession under Sections 1107 and 1108 of the Bankruptcy Code. Except as otherwise noted, all asset and liability information is as available as of the Filing Date.
- 2. <u>Basis of Presentation</u>. These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles, nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtors.
- 3. <u>Summary of Significant Reporting Policies</u>. The following conventions were adopted by the Debtors in the preparation of the Schedules and Statements:
- (a) <u>Book Value</u>. Each asset and liability of the Debtors is shown on the basis of the book value of the asset or liability in the Debtors' accounting books and

records, unless otherwise noted, rather than the current market values of such interests in property and/or liabilities.

- (b) <u>Causes of Action</u>. The Debtors reserve all of their rights with respect to any causes of action they may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action.
- (c) <u>Executory Contracts</u>. The Debtors have not set forth executory contracts as assets in their Schedules and Statements. The Debtors' executory contracts have been set forth on Schedule G.
- (d) Schedule D. Except as otherwise agreed pursuant to a stipulation or agreed order or any other order entered by the Bankruptcy Court, the Debtors reserve the right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all of their rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim, except as otherwise agreed pursuant to a stipulation or agreed order or any other order entered by the Bankruptcy Court. The descriptions provided on Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.
- (e) <u>Claims Listed on Schedules D, E, and F.</u> The Debtors have sought to allocate liabilities between the pre-petition and post-petition periods based on the information and research that was conducted in connection with the preparation of Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between pre-petition and post-petition periods may change. The Debtors also reserve the right to change the allocation of liability to extent additional information becomes available. Additionally, pursuant to Bankruptcy Court orders, the Debtors have been granted authority to pay certain priority pre-petition obligations. Accordingly, these liabilities have been or will be satisfied and may or may not be listed in the Schedules and Statements.
- (f) Schedule E. The Bankruptcy Court entered an order granting authority to the Debtors to pay pre-petition employee wage and other obligations in the ordinary course (the "Employee Wages Order"). Pursuant to the Employee Wages Order, the Debtors believe that, other than claims of certain former and current employees for vacation, personal and/or severance pay in excess of the permitted priority amount or deferred salary of certain employees, any employee claims for pre-petition amounts have been or will be satisfied, and such satisfied amounts may or may not be listed on Schedule E. The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under 11 U.S.C. § 507. The Debtors reserve their right to dispute the priority status of any claim on any basis.

Moreover, the listing of any tax claim on Schedule E is not an admission or designation by the Debtors that such claim is a pre-petition tax claim. The Debtors reserve their right to treat any of these claims as post-petition claims.

- from the Debtors' books and records, which may or may not, in fact, be completely accurate, but they do represent a reasonable attempt by the Debtors to set forth their unsecured obligations. Accordingly, the actual amount of claim against the Debtors may vary from the represented liabilities. Parties in interest should not accept that the listed liabilities necessarily reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims. Similarly, parties in interest should not anticipate that recoveries in these cases will reflect the relationship of aggregate asset values and aggregate liabilities set forth in the Schedules and Statements. The claims listed on Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose may be unknown or subject to dispute. While reasonable efforts have been made to determine the date upon which claims listed in Schedule F were incurred or arose, fixing that date would be unduly burdensome and cost prohibitive and, therefore, the Debtors do not list a date for each claim listed on Schedule F.
- Schedule G. The Debtors have not set forth executory contracts as (h) assets in their Schedules and Statements. The Debtors' executory contracts have been set forth in Schedule G. While every effort has been made to ensure the accuracy of the Schedule of Executory Contracts, inadvertent errors or omissions may exist or have occurred. The Debtors reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement such Schedule as necessary. The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letter and other documents, instruments and agreements which may not be listed therein. Certain of the real property leases listed on Schedule G may contain renewal options, guarantees of payment, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. Executory agreements that are oral in nature, if any, have been scheduled to the best of the Debtors' knowledge. Additionally, the Debtors may be parties to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps and other miscellaneous agreements. Such agreements, if any, may not be set forth on Schedule G. Certain of the agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims and causes of action with respect to the contracts and agreements listed on these Schedules and Statements, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument.

- (i) <u>Schedule H.</u> The Debtors may have co-debtors or co-obligors under their various leases, contracts and/or other agreements. They have made an attempt to list all of the material co-obligations on Schedule H, but any omissions of co-debtors or co-obligors on Schedule H or elsewhere in the Debtors' Schedules and Statements does not constitute an admission that such omitted co-debtors or co-obligors are not obligated or liable under the relevant debt. The Debtors' rights under the Bankruptcy Code and non-bankruptcy law with respect to any such omitted co-debtors or co-obligors are not impaired by omission.
- (j) <u>Disputed, Contingent and/or Unliquidated Claims</u>. Schedules D, E and F permit the Debtors to designate a claim as disputed, contingent and/or unliquidated. A failure to designate a claim on any of these Schedules as disputed, contingent and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules as to amount, liability or status.
- (k) <u>Guaranties and Other Secondary Liability Claims.</u> The Debtors have used their best efforts to locate and identify guaranties and other secondary liability claims (the "Guaranties") in their executory contracts, unexpired leases, secured financings, debt instruments and other such agreements. Where such Guaranties have been identified, they have been included in the relevant Schedule for the Debtors including, but not limited to , Schedules D, F, and H. To the extent the Debtors inadvertently omitted one of the Guaranties, the Debtors reserve their rights to amend the Schedules to the extent that additional Guaranties are identified. Additionally, the Debtors reserve the right to amend the Schedules and Statements to recharacterize or reclassify any such contract or claim.
- (1) Insiders. In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, the Debtors have attempted to include therein each of the Debtors': (a) "directors" and (b) employees that may be, or may have been during the relevant period, "officers" (or persons in control). The Debtors have attempted to exclude in such applicable Schedules and Statements information relating to certain of their employees who, despite the title of their position with the Debtors (including without limitation certain employees with the title of "officer") are not "officers" of the Debtors as such term is used in the Bankruptcy Code because, among other things, such employees (i) serve or served in a purely administrative and/or ministerial capacity, (ii) were not appointed by the Debtors' board of directors, and/or (iii) do not have or ever had any material inside information as a result of their employment with the Debtors. The listing of a party as an insider is not intended to be, nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Employees have been included in this disclosure for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

- (m) <u>Undetermined Claim Amounts.</u> Claim amounts that could not be fairly quantified by the Debtors are scheduled as "unknown", and with a C, U and/or D notation, whichever are appropriate given the individual circumstances.
- (n) <u>Statement #13 (Setoffs)</u>. The Debtors believe that pursuant to Section 366(c)(4) of the Bankruptcy Code, certain utility providers may have applied prepetition deposits to pre-petition obligations. At this time, the Debtors do not have a list of all utility providers that setoff pre-petition deposits.
- (o) <u>Statement #19d (Books, Records and Financial Statements).</u> RCLC, Inc. is a public company registered with the United States Securities and Exchange Commission and, as such, in the ordinary course of conducting its business may have provided financial information, including financial statements to, among others, numerous parties including banks, customers, vendors and landlords.
- 4. <u>Global Notes Control</u>. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

STATEMENT OF FINANCIAL AFFAIRS

This statement is to be completed by every debtor. Spouses filing a joint petition may file a single statement on which the information for both spouses is combined. If the case is filed under chapter 12 or chapter 13, a married debtor must furnish information for both spouses whether or not a joint petition is filed, unless the spouses are separated and a joint petition is not filed. An individual debtor engaged in business as a sole proprietor, partner, family farmer, or self-employed professional, should provide the information requested on this statement concerning all such activities as well as the individual's personal affairs. To indicate payments, transfers and the like to minor children, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112; Fed. R. Bankr. P. 1007(m).
